Office Memorandum

Subject: Mandi visit by officers of various Directorates under DAFW-reg

The undersigned is directed to state that the Government announces Minimum Support Prices (MSP) for 22 mandated crops annually and implements various policy measures such as procurement, trade regulation, supply chain strengthening, and market reforms to ensure that farmers receive remunerative prices. The daily mandi prices of major crops reported by the Agricultural Produce Market Committee (APMC) through the AGMARKNET portal are monitored by the Department to make informed policy decisions.

2. The Department is taking steps to improve price reporting by the APMCs. Recently, instructions were issued to states to report prices and arrivals of MSP crops by both FAQ and Non-FAQ grades. However, it is essential to report more accurate prices received by farmers and investigate the reasons behind price variations compared to MSP in order to facilitate timely policy intervention.

3. In this regard, officers from Crop Directorates (Pulses and Oilseeds), Directorate of Marketing and Inspection (DMI) and MI units are directed to visit selected mandis weekly and assess the FAQ prices and arrivals of pulses, oilseeds and TOP crops (Tomato, onion and Potato). Detailed guidelines for submitting assessment reports can be found at **Annexure I** and list of the officers designated for these visits is provided at **Annexure II**. A strict compliance and highest priority may be accorded on the matter.

This issues with the approval of the Secretary (DAFW).

Encl: As stated above.

PPS to Secretary (DAFW)/PSO to AS (Marketing)/Sr.PPS to JS (Marketing)/PPS to Adviser (Marketing-prices)

Guidelines for submitting FAQ mandi price assessment report

1. Make visit to allotted mandi on every Tuesday/ as directed
2. Interact with farmers, APMC secretary, traders and commission agents in the mandi
3. Report prevailing price for both Fair Average Quality (FAQ) and Non-FAQ grade of pulses, oilseeds and selected vegetables (Tomato, Onion and Potato).
4. Ascertain reasons for variation in mandi prices from MSP such as:
 - a. Quality Issues (high moisture, discolouration, physical admixture, shrivelled grains)
 - b. Decline/Increase in area and production
 - c. Stock position with traders/processors/importers
5. Concerned RO, DMI/ Director, Crop Directorates will coordinate the price reporting and sending the report to HQ.
6. Report the prices in the dedicated portal of Agmarknet/google sheet (will be in the further communication).
7. For further communication or sharing any other information, contact person: Shri. B.K. Prusty, Deputy Agricultural Marketing Adviser, DMI (email: bk.prusty@nic.in).
